

## State Indian Education Contacts 2016

This list of State Indian State Education Contacts has been developed for Parent Centers and other service providers to use in identifying and connecting with the individuals who serve as their state contact for American Indian and Alaska Native Education. These individuals can be very helpful to Parent Centers and others in establishing and building relationships within Native communities in the state and in learning about ongoing activities, initiatives, and potential challenges in promoting the well-being and achievement of Native students.

*This list has been compiled by Joann Sebastian Morris
